Prime Care Coordination specializes in finding providers and keeping track of the many systems for individuals with intellectual and developmental disabilities. **We can support you so the process isn't overwhelming.**

Prime Care Coordination is here to help.

As an OPWDD-approved Health Home/Care Coordination Organization (HH/CCO), Prime Care works as your partner to coordinate the services you or a loved one needs so that you can stop worrying about managing care and live the life you deserve.

At Prime Care, we offer care management to coordinate services such as health care, wellness, behavioral, and mental health services, all in one place, with one Life Plan and one designated Care Manager.

We even have a dedicated Student and Family Education Specialist to empower and support students to reach their full academic potential!

You will have a caring team of people working with you to understand what YOU want in order to help you achieve your goals.
